## **Code of Practice Quality Assurance Certificate**

This is to Certify that

**Susan's Farm**

has completed the Social Farms & Gardens care farming and green care Code of Practice by declaring evidence to show that they are responsible, caring and safe.

**Valid from 19<sup>th</sup> October 2021 until 18<sup>th</sup> October 2022**

The Code is a site-specific self-assessment application, reviewed by a panel of assessors and awarded on an annual compliance basis. It demonstrates that the service delivery and site meet a set of minimum standards (i.e. is safe, professional, and effective).

The Code of Practice is managed by Social Farms & Gardens, a UK wide charity supporting communities to farm, garden and grow together.
